15632 CONTAINER LANE
HUNTINGTON BEACH, CA 92649
PERMIT NO: 11-1-089

In accordance with the Orange County Sanitation District (OCSD)'s policy for monitoring of toxic organics, I submit the following statement:

Based on my inquiry of the person(s) directly responsible for managing compliance with the pretreatment standard for Total Toxic Organics (TTOs) or of the person(s) directly responsible for gathering the information, I certify that TTOs are not employed at this facility. I therefore request exemption from the self-monitoring requirement.

I certify under penalty of law that the information submitted is, to the best of my knowledge, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

I understand that I must immediately inform the OCSD if any TTOs are introduced as a result of a process change, and that subsequently, the self-monitoring requirements for TTOs will be reinstated by the OCSD.

I understand that an exemption from TTO sampling is not granted automatically by signing this form, that a final determination is made by the OCSD Permit Engineer, and that I must continue to monitor for TTOs until I am officially notified that an exemption has been granted.
